Appendix 11 Listed Buildings in Sedgeford		
Name	List entry	Summary of description
Church of St Mary	1172064	Grade 1. 12th Century Parish Church with later additions. Flint with stone dressings, clunch rubble and stone dressings to chancel, slated nave and porch roofs, leaded aisle and chancel roof. Round tower at west
Lych Gates, gate piers and abutments 25m NE of Church of St Mary	1077930	Grade II Leaf lych gates, gate piers and abutments, entrance to the church of St. Mary. Dated 1852. Coursed, squared carstone with stone dressings, wooden and cast iron gates. High Victorian Gothic 2 piers with single set off and gabled coping, with on north south side of north pier an inscription set within a stone arch.
Greyfriars, Church Lane	1172075	Grade II Former Rectory House. C.1840. Carstone, stuccoed brick dressings, slated roofs. "L" plan with a second pile filling in the angle, 2 storey with attics. Tudor-Gothic style.
Buckland, Church Lane	1342272	Grade II House, formerly the Buck Inn. C17. Whitewashed clunch, with brick dressings, red pantiled roof. 2 storey house with attics, 3 windows, lobby entrance plan.
West Hall Farm House	1077901	Grade II Farmhouse. C16 or c.l600 to east, c.1800 refenestration and additions to west. Earlier house carstone with brick dressings, c.1800 addition brick, both with red pantiled roof. 2 storey earlier build partly incorporated in centre with c.1800 build of 6 regular bays and 2 storeys.
Wethered Manor	130527	Grade II Farmhouse. Some C17 evidence, but either totally rebuilt or altered in detail in first half of C19. Porch and west front to north of porch of rubble tiled carstone with brick dressings, house to south of porch of squared and coursed carstone with galleting and brick dressings, smut pantiled roof.

High House	1077899	House. C.1830. Pebble flint with brick dressings, pantiled roofs. 3 bay 2 storey house, 2 bay 2 storey wing to south. Regency Gothick.
Magazine Cottage	1077931	Grade II Powder magazine or armoury converted into a cottage. Said to have been built during the Civil War c.1643 by the prominent Royalist Sir Hamon Le Strange of Hunstanton Hall, Lord of the Manor of Sedgeford, who was besieged in King's Lynn by Parliamentary forces in 1643. Coursed and galletted carstone with brick dressings stuccoed over to represent limestone, rusticated quoins and dressings. Red pantiled roof.
East Hall Farm House	1342294	Grade II Farmhouse. C17 with C18 fenestration. Whitewashed clunch and carstone with whitewashed brick dressings, red pantiled roofs. 2 storey house of 2 or more builds.
Sedgeford Hall	1342295	Grade II House. Mid C18, with dates 1766, 1785. Gault brick, red brick dressings, black glazed pantiled roofs. 2 storey with attics, "L" plan.
Barn 30m due East of Sedgeford Hall	1077900	Barn converted to garages and workshops. C18, datestone 1714. Coursed and squared carstone and knapped flint with carstone galleting and brick dressings and red pantiled roof to south gable and west front opposite Sedgeford Hall.
