Sedgeford Village Hall Report August 2022

Over the summer the committee have taken a well-earned rest from organising events but they have several planned in the autumn. We have the return of our popular plays and music nights with other groups adding a quiz night and a group performing later in November. The maintenance team have not

stopped their inspections and thanks go to the team who have pointed the end of the old pavilion before it gets a fresh coat of paint. A new toddler swing has been purchased to replace the broken one.

The committee continue to look for ways of raising funds to future proof the hall going forward. We were able to put in bids for funding from the Borough Council as we did before when we got funding for the gym equipment and the new stage. Recent applications were submitted for new doors for the hall, solar panels to provide power and a new heating system that incorporates air conditioning. The Committee appreciate the financial support of the Parish Councils in these projects. As part of the bidding process, we have to allocate funds to each project. In total we applied for £30,000. To our amazement we were successful in all our bids and have secured the funding for all the projects. We would like to thank the Borough Council for their support in these projects. The solar panels and battery storage will allow the hall to be an emergency community hub in the future if we experience a power cut. The stored power with a link to the boiler will allow us to heat the building, light the hall and provide hot drinks. The battery storage should also reduce the electricity costs of the hall which will be another bonus. Work on all the projects will start in the next three to four months ready for the winter.

The hall has been well used for parties and family events over the last few weeks. Our regular bookings continue to be very good as well. By the time you read this we will have welcomed the Anglian Motor Home and Caravan Club Centre for a birthday rally let's hope the weather holds for them so they can enjoy their celebrations.

For future dates visit the website where Dave will be posting all the ticket arrangements for upcoming events. I look forward to seeing you at an event in the future. One very early notice is that we will be holding a fundraiser race night next February, dates and more info to follow.

PET PORTRAITS By Claire Louise.

I am sure there are lots of people in Sedgeford that have a cherished family pet, or know a friend or family member that do.

If you are interested in having a portrait of them completed in graphite pencil, mounted and framed, please contact me direct on: 07836 578474 or email: norfolkpetsinpencil@gmail.com

My Facebook page is Norfolk Pets in Pencil by Claire Louise, where my work can be viewed. Alternatively, I am more than happy to meet with you and your pet, as I live locally in Sedgeford.

Framed prints of my non-commissioned work are on display and for sale at the King William Pub in Sedgeford.

Cards and mounted only prints of my artwork are available at Artworks @ The Town Hall, Hunstanton. Or, you can come direct to me, if this is easier for you.

These make a unique Birthday, Christmas, or special occasion gift, which can be cherished forever.

I look forward in hearing from you,
Claire Louise.

Women's Friendship Group

We celebrated our 30 years of Friendship with a bumper attendance of ladies in the afternoon of a very hot sunny day in the village hall. Everyone brought plates of delicious sweet and savory food, washed down with cocktails.

The chat was incessant and everyone seemed to enjoy themselves immensely. We are so lucky to belong to a lovely friendly group and let's hope it continues for many, many years to come.

A big thank you to the committee for organizing the event and their hard work.

Next meeting: Wednesday 14th September 7.30 pm at the village hall. The talk will be 'The Living History of Blickling Hall' by Lizzie Scott.

'Hunstanton & District Community Voices?'

'Another new choir in Hunstanton?' some may say..... surely not! No; rather a re-branding of the Hunstanton Community Choir, to more accurately reflect our new members and our new Music Director, Liz Dark.

Many current members had never previously sung, but if you enjoy music and perhaps singing along in private, we are exactly what you want. Has one of your previous activities not survived Covid? - Do you fancy singing? - Not sure you can sing? Not sung since you left school? Try us for size and see how you feel. Nothing too serious, and if you like music from West Side Story or Godspell, or fancy trying to sing Adiemus by Karl Jenkins, or that lovely piece, Elizabethan Serenade, come along on a Monday evening by 7.00 pm to meet us and Liz, who tries to keep us in order. All lyrics provided, weekly subs are modest and your first week is free. We start back on Monday 5th September

Better still we are hosting a 'Singalong with us' evening on Monday 26th September, AND for anyone who wants to just see what this is all about, pop in and see what we do, perhaps have a go at a few songs or just sit and listen to us under the direction of Liz.

Time: 7.0 pm

Place: Christian Way Fellowship Hall, Downs Close, Hunstanton PE36 5HU. Parking is available.
